Ladies/Gentlemen:

The Plaintiff, pro se, respectfully requests [Renzer Bell v. Charles Gray, et al. case no. **20 CV 01588**] that the Clerk of Court amend the filing date listed on the docket for the instant action to February 19, 2020 since the postal wrapper containing the Complaint was received on February 19, 2020 as evinced by the United States Postal Service tracking confirmation annexed hereto as Exhibit A.

The disparity between the current start date listed on the docket for the instant action, and the date the Complaint was received by the United States District Court for the Southern District of New York is due to the fact that the Plaintiff is required to mail the Complaint to the Pro Se Intake Unit which for some reason utilizes the date that the Complaint was actually received in their office instead of the date that the Complaint was received by the United States District Court for the Southern District of New York.

The Plaintiff's equitable rights should not be prejudiced by the system that requires pro se litigants to communicate, and process documents through the Pro Se Intake Unit.

Thank you for your attention, and consideration to this urgent matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Renzer Bell II', written over the word 'Renzer Bell'.
